

# MAKE MORE POSSIBLE!

The Employee Giving Campaign is an exciting way to **make more possible**. Your gift shows you are proud of the exceptional health care provided here every day.

In 11 years, our employees have supported our mission to make more possible with contributions of \$149,432.00 supporting programs and services throughout the hospital. Thanks to these employee gifts and the support of our community, the Foundation has invested hundreds of thousands of dollars to support patients, facilities, equipment and education.

You give your time and talents to the hospital every day to make a difference in the lives of our patients. No matter what your role is, your personal dedication sends a powerful message to the community. It inspires others to support our mission to provide excellence in care to the patients we serve.

Will you **make more possible** today? Consider joining or continuing your commitment to the Employee Giving Campaign.
